Proudly Serving Kingsville Since 1933

KINGSVILLE LIONS CLUB PRESENTS: STAR CHEFS GALA II

The **Kingsville Lions Club** will be hosting the second annual **Star Chefs Gala** on Saturday October 14th 2023, at the Grovedale Community Centre. Exciting local chefs will cater the event. We are proud to announce that proceeds from this gala event in Kingsville, will be going specifically to Erie Shores Health Foundation's newest project - to support the Diagnostic Imaging Department, which has a massive \$15 million goal to reach.

Erie Shores Healthcare treats more than 90,000 people annually. Since the Ontario Ministry of Health does not fund all costs for the Hospital or the Hospice, **Erie Shores Health Foundation** (ESHF) was created to do the leg work to raise awareness and gain support from the community, thus raising funds to support both the hospital and the hospice.

As part of the Gala celebration, we are seeking Table Sponsors for \$100.00 and you will have your name or Company name displayed on the table and in the program..

Because of the tremendous support that the community has so generously committed to its own healthcare system, we have one of the best facilities in the region.

The **Star Chefs Gala** will help bring you the best care, when you may need it the most, with state-of-the art diagnostic equipment, soon to include an MRI machine.

About The Kingsville Lions:

Kingsville Lions Club will this year celebrate 90 years of continuous and committed service to our community. We are a non-profit service organization. Our motto is: "We Serve".

The Lions inaugural Star Chef's Gala held last year, November 12/22, raised \$20,000 to support the ESHF fund drive for the Diagnostic Imaging Department at Erie Shores Health Care.

In 2021- 2022 Kingsville Lions raised \$120,000 with the Play-it-Forward campaign to build an all-accessible children's playground for kids of all abilities. This playground will be built in 2023 on the downtown parcel of land, known as Lions Park and the building, which were donated to the Town of Kingsville in 2003.
